Persona Agent

Generating caption using meta-llama/llama-3.3-70b-instruct for The Disciplined Founder. Ask for research, a week of posts, scheduling or vault saves — the agent acts, not just suggests.

say one short sentence about coffee

```
<function(saveToDrafts){"type": "caption", "content": "Coffee is my morning fuel.", "model": "meta-llama/llama-3.3-70b-instruct"}></function>
```

Live preview

Last 3 messages · everything the agent saves lands in /dashboard/drafts and /dashboard/vault automatically.
